## President's Message By Clay Beck

Well fellow members, the weather these days is very nice here on the central coast and maybe hotter the more inland you go. Certainly, great weather for a Corvette rides up the coast. I am planning a lake Millerton trip next week and I am expecting temperatures to be over 100 deg. This trip is a yearly thing with the kids and grandkids. I will be dragging my boat behind the motorhome. Expectations will be hot but fun. Grandpa will have to show the grandkids how to water ski.

During the 4<sup>th</sup> of July, our club attended the Solvang parade celebrating the July 4<sup>th</sup> festivities. We had eight Corvettes all decorated in American flags and other red, white, and blue decor. It was a great time. One of our members were handing out small American flags to the kids. What a hit that was. My car was the only car with a manual transmission. That was fun driving so slow as one would in a parade. My leg muscles were feeling it after a while driving in this parade constantly putting in the clutch. I was worried about wearing out my throw-out bearing! Nevertheless, it was a good time with our club members.

Our club is sponsoring our final auto cross event this next week July 29<sup>th</sup>. At this point we have too many drivers that have signed up. I usually take 50 drivers and I may take a few from the wait list. Currently there are 61 drivers that have signed up. It is time to decide on how many to select.

There is an article in Corvette Blogger talking about the Chevrolet dealers across the country that are selling Z06 over MSRP. They had a list of which dealer sold the Z06's at the amounts over MSRP. The top dealers sold the cars for over \$100,000 over MSRP to the bottom of the list were sold at about \$15,000 over MSRP. At this time in production, they have only produced about 4,000 Z06 units. For this reason, is why it will take me forever to land this car. I am not willing to pay more than MSRP at this time anyway. I will be patient.

Have a nice day, Clay Beck

## **July 6, 2023 VTV Meetings Minutes**

**By Hector Paz**

The VTV meeting for the month of July was held on Thursday, July 6th, 2023, at the IHOP in Santa Maria. There were 10 attendees present. The attendees were:

Clay Beck, Gerry White, Brenda Parks, Bruce Potter, Hector Paz, Gale Haugen, Larry Wright, Clint Perry, Brian Phillips, and Clint Perry. Clay called the meeting to order at 6:15 pm. Clay started the meeting by announcing the July birthdays. Brittany Fitts on the 11<sup>th</sup>, Al Ferguson on the 22<sup>nd</sup>, Gil Trujillo on the 24<sup>th</sup>, Jeff Bartel (E) on the 25<sup>th</sup> and Mike Dirkes (E) on the 29<sup>th</sup>. Happy Birthday to all.

### **Meeting Minutes Approval**

Gale Haugen made the motion and Chuck Robertson seconded. All approved.

### **Old/New Business—Clay Beck**

The Annual Blast for 2023 was discussed under old business. Gale informed everyone that she had received the contract from the Santa Maria Inn. This is the 17<sup>th</sup> year of this event. We have thirty-one (31) rooms reserved and one (1) grand suite. The room rates are going to be \$124 per night plus tax. She currently has five (5) sanction numbers and she is working to get one more. She would like to have six (6). We plan to do the same thing that we did last year. The two (2) poker games (Hidden hand poker and a poker rallye,) gimmick rallye, corn hole and rolling thunder. This year we are going to use the cabana facility next to the pool to give us more room. This will be comped by the hotel. However, using this room will not allow us to bring our own food and drinks. They have a corkage fee of \$11 if we want to bring our wine. Last year all the members brought a dish for hospitality night. This year we need to buy through the hotel. Last year many participants went out for dinner prior to arriving for hospitality night, and we ended up with a lot of leftovers. This year we will order Hors D' Oeuvres from the hotel. Gale asked everyone to consider donating a \$25 item for the raffle. She gave some examples. Also, she will make baskets again this year for the raffle. Gale asked that someone collect all these items by the 10<sup>th</sup> of September. Gift cards need to be something that can be used in different locations in CA. Avoid local independent establishments. Another item that Gale brought up was the need for volunteers for Friday's hospitality night, and all-day Saturday's activities.

## **July 6, 2023 VTV Meetings Minutes**

**By Hector Paz**

She will make the list of positions that need to be filled. Any member who volunteers will get a free dinner.

New Business included the 4<sup>th</sup> of July Solvang parade, July autocross and sweeping the airport paddock.

We had eight (8) cars at the parade. Brian shared that we won 1st place award for the Automotive group category. The Santa Maria Times and the Lompoc Record did a nice job covering the event.

The July 29<sup>th</sup> autocross will be our last one for the year. MotorsportReg (MSR) is going to open on Friday July 7<sup>th</sup>. Clay asked who all was going to help on the autocross. There was a show of hands.

Clay read an article from Chuck Jennings president of the Porsche Club that said that on Monday July 11<sup>th</sup> they were going to rent a ride-on power sweeper to sweep the paddock area. Also, added that it would be helpful to have volunteers to help. Afterwards there was some discussion about the cost. Clay said that it would be in the \$100 to \$150 range. Well worth the cost. Clay said that he would help them. There was some discussion about why not do it at the beginning of the year.

### **Treasurer's Report— Chuck Robertson**

Chuck went over the income and expenses for the June 24<sup>th</sup> autocross.

The total income was \$3,082.90.

The expenses were \$297.63 for the portable johns, \$6.45 for ice, \$550 to the Santa Maria Airport for the use of the track, \$500 to the Allan Hancock Scholarship Foundation, \$1,319.01 of which \$69.01 was for the rental of the blower and the \$1,250 was for the third of four installments toward the sealing of the track, and \$95 for NCCC fees.

The total expenses were \$2,762.09. The net income was \$320.81.

Next Chuck went over the treasury reports for May and June.

Chuck reported May's Expenses:

\$3,004.19 for the April 29<sup>th</sup> autocross.

June's Income included:

\$1,074.00 from the April 29th autocross.

## **July 6, 2023 VTV Meetings Minutes**

**By Hector Paz**

### **Treasurer's Report– Chuck Robertson**

\$90 for membership.

\$17 from the 50/50.

Under June Expenses:

There was \$919.23 for the April 29<sup>th</sup> autocross.

The total expenses for June were \$919.23.

Clay asked for approval of the Treasurer's Report. Clint made a motion to approve, and Larry seconded it. All were in favor and the motion was approved.

### **VP Report— by Clay Beck**

Clay read a letter from Holly. She is now living in Meridian, Idaho. Thank you Holly for letting us know how you are doing. You are missed.

### **Governor's Report— Gale Haugen**

Our club will be hosting the September's regional Governors meeting during the Blast. We will do this after the Gimmick rallye and before dinner.

### **Around the Room**

**Hector** shared that he played golf; **Larry**, shared about his key fob. He was left stranded and missed the Solvang parade. His car started at home but not at the gas station where everyone met to drive over to Solvang; **Brenda** shared about her horseback riding days; **Clay** shared that they are planning a vacation to Costa Rica and that he will be gone and not be able to be present at the August meeting and he has planned to do two (2) more outages; **Gerry** shared that he continues working on future runs; **Brian** shared about the Petersen Museum; and **Bruce** shared about his dog Charlie.

### **Drawings**

**Clint** was the winner of the 50/50 and the door prize. **Brian** was the winner of the name badge.

Clay adjourned the meeting at 7:11 pm. The next meeting is Thursday August 3rd at 6:30 pm at the IHOP in Santa Maria. The reservation is made for 5:30 pm for those who would like to have time for a meal.

### **Trivia Question.**

What is the most wanted Corvette?

*The 1969 Corvette ZL-1 is perhaps one of the rarest and most highly sought-after Vettes ever made. You could say it is a true automotive unicorn since only two of these were ever built.*

## **Solvang 4th of July Parade**

Vapor Trail Vette's members participated in Solvang's 4th of July parade again this year. This was the fourth year driving our Vettes in this event. The parade included 82 entries comprised of dance troupes, classic cars, prancing horses, local businesses and community organizations. VTV won Best Automobile Group for the second year in a row. This is always a fun time for our members and friends. We never seem to have enough candy to throw to many kids along the parade route.

New members Brian and Cecilia Phillips handed out American flags and lollipops with the Pledge of Allegiance cards attached. That's the true meaning of Independence Day...great job!

### **Rev Up For Monterey Car Week**

Classic and vintage cars will take to the streets, golf courses and WeatherTech Raceway Laguna Seca for **Monterey Car Week 2023**, surrounding car enthusiasts with automobiles from yesteryear.

Monterey Car Week features 10 jam-packed days of 30+ special automotive events, car shows, races, auctions and memorabilia. Visit our website for a full schedule of events and an interactive map to plan your Car Week.
