

# THE VAPOR TRAIL AUGUST 2023

Vapor Trail Vettes, P.O. Box 524  
Santa Maria, CA 93456  
www.vaportrailvettes.com

## President's Message By Clay Beck

Now we are in the middle of summer in August, which brings beautiful weather to our central coast. We even had a small amount of rain back on August 10 which is allowing the grasses and weeds to grow a bit more. Nevertheless, it is definitely Corvette weather. We are planning a trip to Mullin Automotive Museum in Oxnard on October 28<sup>th</sup>, and I would expect the weather to be good. I would like to see good club participation. So, let's get out there and have some fun. There will be more discussion at our next VTV meeting.

I would like to put out a pitch for our Annual Blast scheduled for September 15<sup>th</sup>-16<sup>th</sup>. Gale has published a spread sheet of all the things that need to be done as well as who is to perform these tasks. As of now there are several places that need volunteers for various assignments. So, please volunteer and call Gale to help with our Annual Blast event. This event is fun for us as Vapor Trail Vettes get to see and mingle with other NCCC members or other club members.

I recently returned from a trip to Millerton Lake that is close to Fresno at the foothill of the Sierras. We had a great time despite the 100+ temperatures. Getting out on that water in the early mornings was like riding on glass, it was so smooth. We got some serious skiing in.

The NCCC governors meeting in September will be in our area this time. This meeting is usually hosted in the Los Angeles area. I believe there are only three regional governor's meetings per year. In fact, I believe this meeting will be during our Annual Blast which I will plan to attend if I can. I don't remember this meeting ever having been in our area before.

Have a nice day, Clay Beck

## **August 3, 2023 VTV Meetings Minutes**

**By Hector Paz**

The VTV meeting for the month of August was held on Thursday, August 3<sup>rd</sup> 2023, at the IHOP in Santa Maria. There were 8 attendees present. The attendees were: Gerry White, Brenda Parks, Bruce Potter, Hector Paz, Gale Haugen, Larry Wright, Chuck Robertson and Brian Phillips. Gale called the meeting to order at 6:30 pm. Gale sat in as acting President in Clay's absence.

Gale started the meeting by announcing the August birthdays. Nathan Griffin on the 3<sup>rd</sup>, Bruce Potter on the 4<sup>th</sup>, Bruce Morgenthaler on the 16<sup>th</sup>, Bee Jay Jones on the 19<sup>th</sup>, Chris Fitts on the 21<sup>st</sup>, Cliff Erickson on the 28<sup>th</sup>, and Brian Phillips on the 28<sup>th</sup>. Happy Birthday to all.

### **Meeting Minutes Approval**

The next item was to approve the meeting minutes of the July 6th meeting. Chuck made the motion and Gerry seconded. All approved.

### **Old/New Business—Clay Beck**

#### **Old/New Business Gale for Clay Beck**

The first item under old/new business was the July 29<sup>th</sup> autocross Results and Lessons Learned.

- Results. Clay asked that we go over the July 29<sup>th</sup> autocross.
- Lessons Learned:
  - Once we got started, we had a delay caused by problems with the timing equipment. Apparently, the timing equipment was not checked prior to the start of the autocross.
  - Also, we couldn't get enough workers to cover the workstations in a timely manner.
  - Clay asked that we continue to look for ways to improve the process.

Under new business Gale asked everyone to look over the Blast schedule and asked for volunteers where needed. Next, she informed everyone that she was going out again next week and hopefully finalize the Rallye route.

### **Treasurer's Report— Chuck Robertson**

Chuck started out by going over the income and expenses for the July 29<sup>th</sup> autocross. The total income was \$3,802.60 and this came from registrations.

## **August 3, 2023 VTV Meetings Minutes**

**By Hector Paz**

### **Treasurer's Report— Chuck Robertson**

. The total expenses were \$2,803.88. The expenses were \$297.63 for the portable johns, \$6.45 for ice, \$550 to the Santa Maria Airport for the use of the track, \$500 to the Allan Hancock Scholarship Foundation. The \$1,334.80 was primarily for the last installment toward the sealing of the track, and \$115 for NCCC fees.

Next, Chuck went over the treasury reports for July. July started out with \$11,8163.15 in the bank. Under June Income, we had \$500 from Home Motors for their sponsorship, \$420 for the Blast registrations. The \$3,782.60 were for the June 24<sup>th</sup> autocross, and \$30 for the 50/50. The year-to-date income through July was \$16,548.75. The expenses were \$2,391.25 of which \$500 went to the Allan Hancock College Scholarship Foundation and \$1,891.25 for the June 24<sup>th</sup> autocross.

Gale asked for approval of the Treasurer's Report. Larry made a motion to approve the Treasurer's report, and Brian seconded it. All were in favor and the motion was approved.

### **VP Report—**

Gale went over the VP report in an acting capacity. She went over the following potential activities:

- The Pismo Beach Clam Festival Parade. We had an invitation from the organizers but after some discussion no one seemed interested.
- The All-Corvette Car Show sponsored by Corvette Super Sport on August 19<sup>th</sup>. There was no discussion.
- Brian brought up the Mullin Museum in Oxnard. There was some discussion, and it was approved by many of the members. A tentative date was scheduled for October 28<sup>th</sup>. The entry fee is \$14, and everyone needs to get their tickets online.
- Solvang Ostrich land USA. Some members have been to it.
- The Lavender Farm.
- Powder Coating business. Gerry is still working on it. Larry brought up another powder coating shop.

## **August 3, 2023 VTV Meetings Minutes**

**By Hector Paz**

- Brian brought up the museum at the Paso Robles airport museum. Some of us have been to it.
- Gale also brought up the Adobe Dana Museum and a place in Templeton that makes cheese.

### **Governor's Report— Gale**

The next West Coast regional meeting will take place at 11 am on September 16th in Santa Maria.

### **Around the Room**

**Brian** talked about the Mullin Museum in Oxnard and the Stagecoach Museum in Los Olivo's. Those interested in the Mullin Museum would have to get their tickets online. The Stagecoach Museum is about the history of the valley. It is by invitation only. They provide a docent. **Gerry** talked about the car show on August 12<sup>th</sup> in Lompoc. This is sponsored by the Police Department and the Fire Departments. **Larry** talked about the July 29<sup>th</sup> autocross. He thought everything went well despite some of the early problems with the timing equipment.

### **Drawings**

Hector was the winner of the 50/50. Clay was the winner of the name badge game. The door prize was agreed to be suspended until we have more prizes.

The meeting ended at 7:06 pm

### **Next Meeting**

The next meeting is Thursday September 7th at 6:30 pm at the IHOP in Santa Maria. The reservation has been made for 5:30 pm for those who would like to join us for dinner.

## **Tech Corner -Corvette Production Schedule**

**By Johnathan Lopez**

Production of the 2024 Corvette Stingray and 2024 Corvette Z06 is set to begin September 11<sup>th</sup>.

Meanwhile, production of the 2024 [Corvette E-Ray](#) is currently scheduled to begin October 23<sup>rd</sup>.

## **Tech Corner -Corvette Production Schedule**

**By Johnathan Lopez**

The official 2024 Corvette [online configurator tool](#) is now available at [Chevrolet's](#) website.

Orders for the 2024 Corvette Stingray and 2024 Corvette Z06 began July 27<sup>th</sup>, while orders for the 2024 Corvette E-Ray will open August 17<sup>th</sup>.

All Corvette C8 variants are produced exclusively at the [GM Bowling Green plant](#) in Kentucky.

As GM Authority covered previously, the 2024 Corvette destination freight charge (DFC) is [more expensive](#) than that of the preceding 2023 model year, increasing \$200 to \$1,595.

With regard to the technical specs, the 2024 Corvette Stingray features the naturally aspirated [6.2L V8 LT2](#) gasoline engine, which produces 490 horsepower and 465 pound-feet of torque. The 2024 Corvette Z06 cradles the naturally aspirated [5.5L V8 LT6](#) gasoline engine, rated at 670 horsepower and 470 pound-feet of torque. Finally, the new-for-2024 Corvette E-Ray cradles both the 6.2L V8 LT2 gasoline engine and a front-mounted electric motor, the combination of which produced 655 horsepower. The GM Y2 platform provides the underpinnings across the Corvette C8 lineup.

Lopez, J. (2023, August 10). Corvette production schedule. [Blog post]. Retrieved from <https://gmauthority.com/blog/category/chevrolet/corvette/>

## **Mullin Automotive Museum Trip**

**By Gale**

The Mullin Auto Museum was founded in 2010 and hosts the worlds largest private collection of Bugatti's.

The building is nearly 47,000 square feet of exhibit space with a roof garden, theater, gift shop, archival storage, a collection of unrestored vehicles and Bugatti furniture hand crafted by the patriarch of the Bugatti Family, Carlo Bugatti.

Don't leave the museum without seeing the "Lady of the Lake" which is a 1925 Bugatti that spent 75 years in Lake Maggiore which is 80% in Italy and 20% in Switzerland. If you enjoy reading history go to <https://mattstonecars.com/the-lady-in-the-lake/>.

If you plan to participate in this trip please purchase your tickets on line prior to October 28th. The website is [in-](mailto:info@mullinautomotivemuseum.com)  
[fo@mullinautomotivemuseum.com](mailto:info@mullinautomotivemuseum.com).
